

IEP Form Changes as of May 10, 2010

Changes have been made to the function of some form elements to address usability issues. No change has been made to form content.

Parents'/Guardian Information- User may now remove added Parent/Guardian table*.

3 Profile- Field layout changed to improve readability. Field will now follow page breaks.

5 Transition Services- Added Goal tables may be removed*.

7 Description of Specially Designed Services- Added service tables may be removed*.

*In each instance where tables may be removed one copy of the table is left in the form as a minimum.
